THE HERALD BUREAU, R. E. Knight & Son, 621-625 King Street.

Alexandria. Va., Oct. 16.—Steps towards reinstating the 74 pupils of the Alexandria High School who went out on a strike at the noon hour yesterday were taken tonight at a mass meeting of the Parent Teachers' Association held in the Young People's building presided over by Mrs. William J. Changes had been made so frequently in the faculty the pupils had not a chance to get acquainted, he said. Others who made addresses were Dr. J. H. Bitzer, Rev. Dr. E. B. Doctor Prescribed It for Dentist Who Highly Endorses It Below.

"I had an awful attack of rheumatism in my left arm the past two winters, and the pain was so great in my shoulder it was excruciating at times when I tried to raise my hand the least bit. Doctor A. L. Johnson prescribed Acid Iron Mineral for me, and I look about three-fourths of a property of the control and I took about three-fourths of a hottle. It gave me helief that I wanted and I haven't had a symptom of it since I quit taking it. Acid Iron Mineral in my opinion is a good tonic and also an excellent styptic. It is the blood and an exfine to purify the blood and an excellent remedy for rheumatism. I gladly recommend it." declared E. C. Address at Argo Lodge Turnout.
